God, send YOUR holy spirit over us and all the planet
to make it worthy of THEE
and with it me.
God, send YOUR holy spirit
over us and every man of good intention.

May our belief give to caesar what belongs to caesar.
May our thinking allow the unthinkable into soul.
With the mercy of God and with his spirit we can.
So help me God. Hear me: Here I am.

May our vision draw more than the biggest picture.
May our insight also give ourselves a lecture.
With the mercy of God and with his spirit we can.
So help me God. Hear me: Here I am.

So here I am willing to reach out for peace and for justice.
So here I am willing to follow the way of Jesus Christ.
So here I am with all my life to give GOD the honour.
I've nothing else to sacrifice.
